Our monthly plans span a wide range of options, so you can fine tune the capacity of your investment. If you are a business that will not directly benefit from a monthly SEO budget, you may opt into our standard hosting & management hosting plans which start at \$79.99 and \$119.99 respectively. Please note that licensing & hosting rights are not transferrable with the hosting or SEO plans. If you would like more information on buying out a specific design or template, or owning your copyright please contact us at (909)-217-9822 or at rijumondal@informaldevelopment.com
